It burns more.

What we need to fight fire is

Strength of heart

Boy, these girls are dumb
They could die from their own wounds
But they still use their magic to protect you...

It's dumb to hurt yourself for someone else

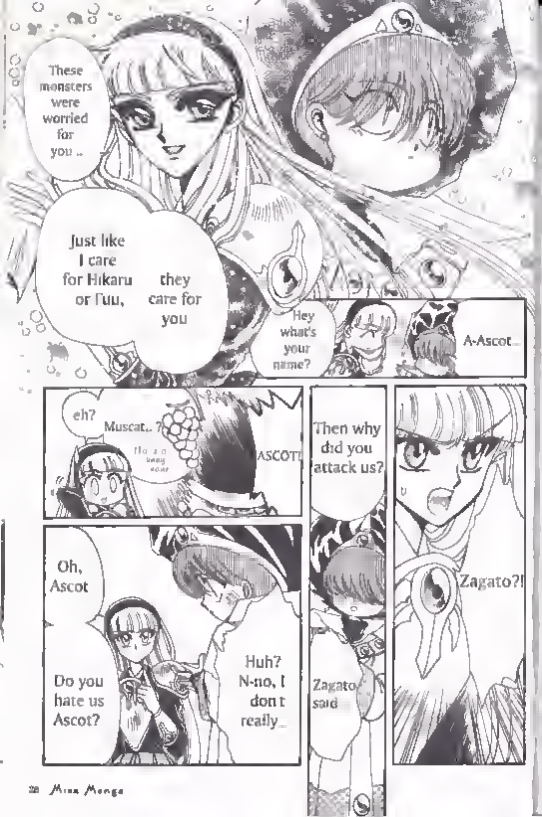
Friend?
That's right! These monsters are my friends!
SMACK
How can you make your friends fight for you?!

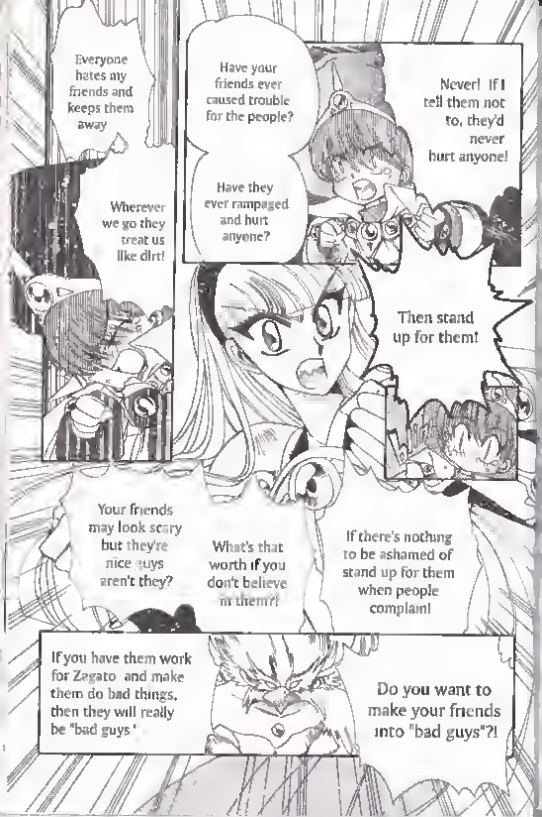
Don't you care if we hurt your friends?
Or even kill them?!
I care!
Then you understand why I get mad
when My friends are hurt!
You hate it when your friends get hurt don't you?
You know what it's like to need to save them from danger!
If you do, let my friends go!
STTT!

Hikaru! Fuu!
Are you okay?!
dash
Are those
monsters your friends?
Yes but everyone says that weird-looking things can't be friends..
And I shouldn't be nice to them cause they're monsters ..
No one understands
that they're really nice...
understand
huh.. ?!



These monsters were worried for you..
Just like I care for Hikaru or Fuu, they care for you
Hey what's your name?
A-Ascot..
eh?
Muscat..?
Ascot
Then why did you attack us?
Zagato?!
Oh, Ascot
Do you hate us Ascot?
Huh? N-no, I don't really..
Zagato said

He said if you become Magic Knights,
there'd be a problem
Then what's up?
Why were you following his orders?
A while ago a messenger from the castle came- Zagato wanted me to go there
I figured they needed me to summon something at the castle
When I got there Lord Zagato asked me to help
I'm a Palu
Are you one of Zagato's followers?
Not
And just like that, you took his side?!
But but
He said I could keep my friends and stay at the castle



Everyone hates my friends and keeps them away
Wherever we go they treat us like dirt!
Your friends may look scary but they're nice guys aren't they?
Have your friends ever caused trouble for the people?
Have they ever rampaged and hurt anyone?
What's that worth if you don't believe in them?!
Never! If I tell them not to, they'd never hurt anyone!
Then stand up for them!
If there's nothing to be ashamed of stand up for them when people complain!
If you have them work for Zegato and make them do bad things, then they will really be "bad guys"
Do you want to make your friends into "bad guys"?!

Noo...
I only met Hikaru and Fuu a little bit ago...but we're already best friends
With them I can be strong. They help me to do my best
I'm proud of them.
And I can learn to like myself more and more
You and your friends have to think of what you must do to find happiness
I'm sorry
I'm sorry I hurt your friends too

RRROAR

The armor changed again!
And the sword too!

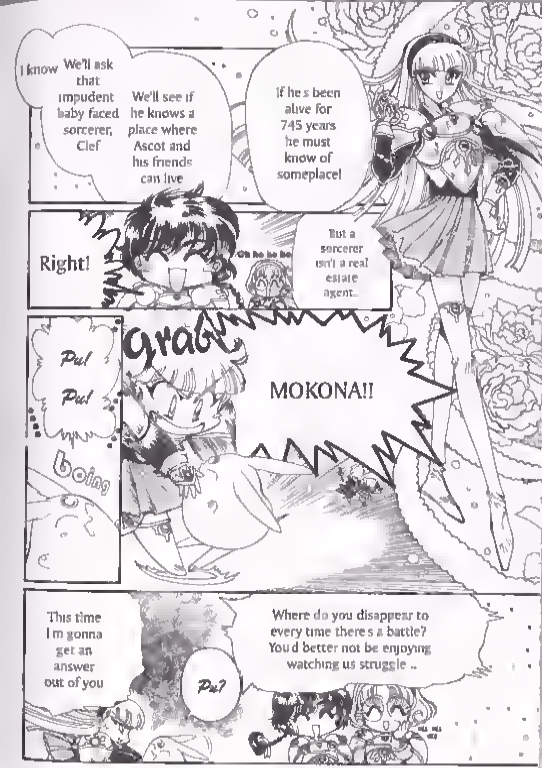
Well. Ascot is, like just a kid, right?
I'm not surprised he couldn't cut it
So
It's my turn next
Sloosh
Ain't I to die for!
Leave it to this gorgeous babe, Gardina!

I hope Ascot's all right
I hate leaving him under the sea there
We offered to take him to the surface, But he said we should move on
He was being courteous
It's true we're in a hurry
I hope when we defeat Zagato...
Ascot and his friends can live together in peace
Umi
SOB



I know
We'll ask that impudent baby faced sorcerer, Clef
We'll see if he knows a place where Ascot and his friends can live
If he's been alive for 745 years he must know of someplace!
Right!
Oh ho ho ho
But a sorcerer isn't a real estate agent..
Grab

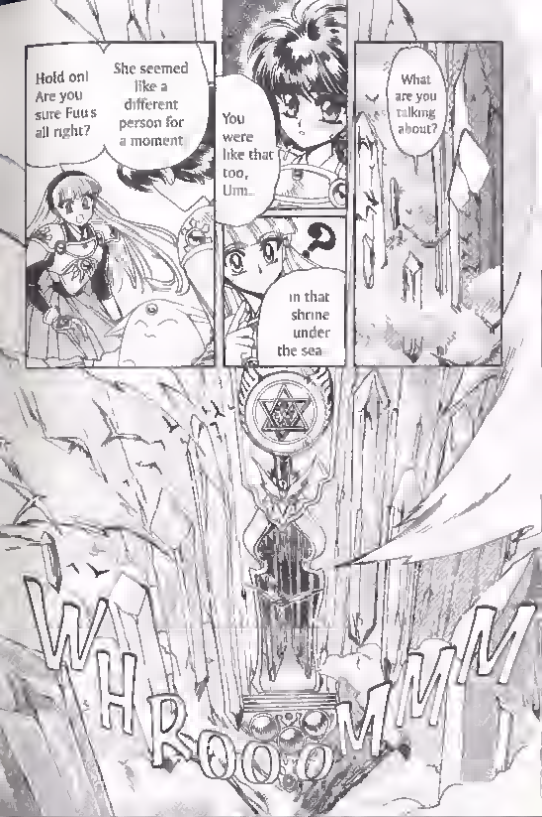
When did we get up here..?
YAAAHHH!!
Spinn Spin
Too high! Too high!
Thinks it's a new game..
Really
Mokona! This craft is safe isn't it?!
It wouldn't be funny if we fell from this height!
It's all right..
Pat

If we fell from here we'd black out within seconds
We wouldn't feel any pain before we got our halos
Just like this
gasp
Look!

That's...
the floating mountain
We saw when we came to Cephiro !
Fuu!
It's the wind...
Fuu!
This is the Shrine of the Wind
A Spirit
rests within
Fuu!

Fuu!
Fuu!
Fuu!
Fuu!
Fuu!
Mokona!
You're saying I shouldn't go...
because Fuu has something to do here..
Pu!
Pu!



What are you talking about?
You were like that too, Um...
In that shrine under the sea
She seemed like a different person for a moment
Hold on! Are you sure Fuu's all right?
WHROOOMMM

Jump
This mountain really is floating in mid air!
So this is... the Shrine of the Wind that Fuu spoke of...
Fuu's right. If we fell from here we wouldn't have a chance before it's angel time...
Somewhere in here there's a Spirit like the one that went into the jewel on Umi's armor
Wowie!
What took ya so long?!
Who's there?!
Whirl
Geez...
Flap

You silly little girls
keeping this beautiful goddess waiting so long!
She doesn't seem very modest.
Nope
I'm the leader!
I guess there are stuck up women in Cephiro too
She's got some attitude.
Call me The Leader!
Name's Gardina
What are your names, girlies?
I'm Hikaru
Mine's Umi
He-car-roo?
Ooh-me?
Strange names

Well excuse us!!
And the other girl...?
What's her name?
So she's called Fuu?
Do you know where Fuu is?!
The other...
You mean Fuu?! You know where she is?
Yep!
I know!
Don't sweat it... I'll take you to her
Thank you
Where is she?! Tell us!
Geez, you're kinda making me feel bad

Huff..
I'm working for Zagato, y'know
'Cause
Zagato?!

Legendary Magic Knight..
You who have come to this Shrine of the Wind

I am called Windom.
I am the Spirit who rests here to await the coming of a Magic Knight.

My name's Gardma
I'm really a dancer, y'know...
'cause I can create illusions or bewitch people with my dance, I'm also a Charmer
The Charmer Gardma...
Woo! You're polite, aren't you. I like that!
Anyhoo, I'm controlling your friends...
And I've, like, ordered them to kill you.
You're one of Zagato's minions, aren't you?
The truth is.
I need the money

I'm a working girl
A professional dancer and Charmer
It's important to have a strong work-ethic, y'know
So, enough of the chit-chat.
Gotta earn my dough.

T-that's right.
Would you risk your life for your employer?
My life's my own!
Me... I would risk my life for my two friends.
I didn't realize it before.
it just came to me now
With all my heart, I want to save these two.
I would give my life, to save my friends.
Your.. life..?
Yes

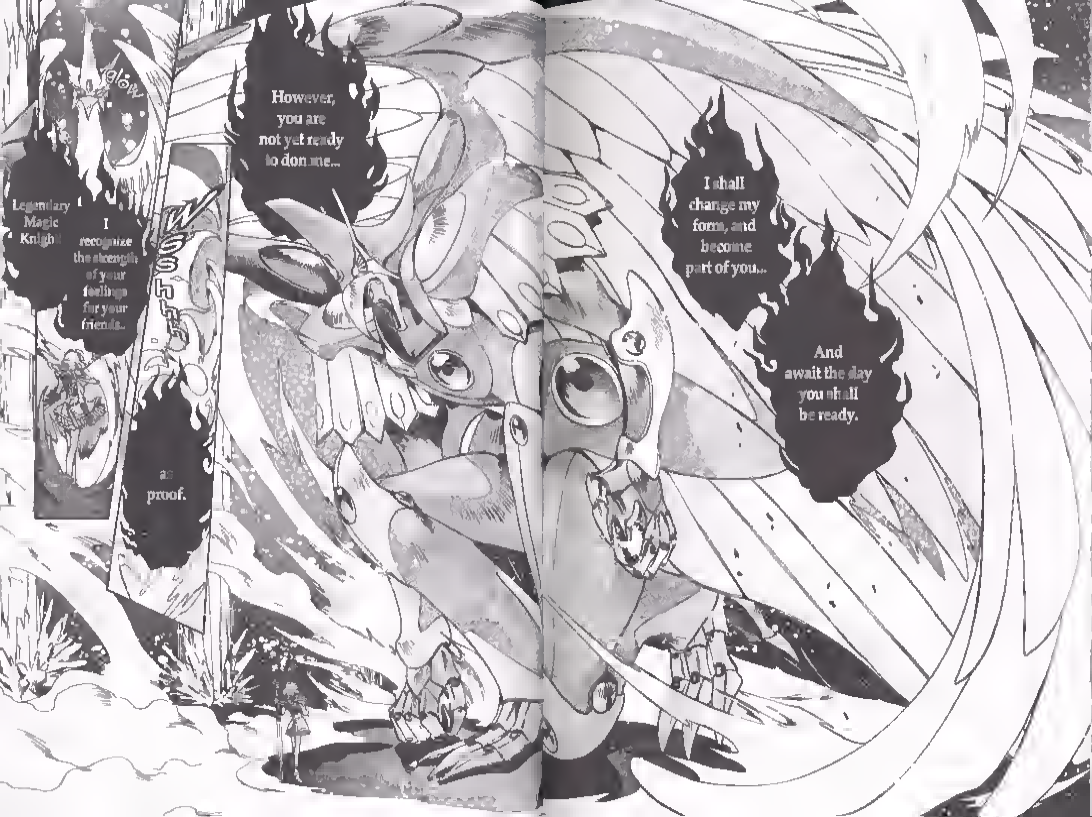
So you must be really old friends, right?
shake shake
No,
before we came to Cephiro from Tokyo, we didn't even know of each other's existence.
What the..?!
How can risk your life for them if you just met them?!
Time means nothing to the heart.
Even if our time together is short..
even if I know so little about them
It only means I have more to look forward to in getting to know them.
My heart is set on fighting alongside them.
Your heart..

Therefore...
If you intend to harm them, I must kill you.
Ha ha ha ha!
blink
It's true Zagato pays me, but
I've earned my pay by giving you Magic Knights a battering!
not enough to make this powerful and high-class Gardina,
give her life for him
With this fabulous bod to boot,

Part
Anything beyond that, forget it!
Are you sure? After all you did get money
Are you sure you won't fight..?
Your name s Fuu, right?
Yes.
Well, good luck
on the rest of your journey!
I must say, you were really cool, Fuu.
I don't know whether it s good or bad to have something to give your life for, but...
I thought you were cool...
In any case...
You sure moved me more than that guy Zagato, who s kicking up a fuss for who knows what reasons

Isn't Zagato...
Out to take control of Cephiro?
With the Princess Emeraude not praying, this world has monsters everywhere. It's coming apart at the seams.
It's not worth controlling
I asked him once...
If Cephiro's going to be such a mess, why don't you let the Princess continue her prayers...
And you just take control of the land?
Then he just smiled...
And said, "There's something more important than Cephiro at stake..."

!!
PA
"Something more important than Cephiro ..?"
The armor changed again...
And the sword .
It's gotten longer... The shape hasn't changed.
But it's definitely longer...



Legendary Magic Knight
I recognize the strength of your feelings for your friends...
as proof.
However, you are not yet ready to dominate...
I shall change my form, and become part of you...
And await the day you shall be ready.

The Sea-God Celes.. The Wind-God Windom...
Those girls from another world have awakened two of the Spirits from their long slumber...

Leaving only one..

That's right.
Lafarga, Captain of the Inner Guard, sworn to protect you!
Although with your heart's support,
there was no war in Cephiro
The Inner Guard was commissioned to subdue the monsters that occasionally appeared
Do you believe that these girls you summoned to become Magic Knights
Will survive against the strongest of all warriors, Da! Lafarga?
Noo!
Stop, Lafarga!
You mustn't!

It's no use.

But our armor and weapons have changed a lot, haven't they?
You're right!
There's a dragon on my sword now

And my sword has been getting bigger and bigger
See?
It is...
Doesn't it get heavy, Fuu?
No, it's as light as a feather...
Can I see it for a moment?
Sure
It's turned to water
Flash
Your sword.
Too heavy!!

I thought so...
These weapons were made for us
and for us alone
I get it...
That's why I couldn't hold Fuu's sword.
Our armor is completely different from what it started
It's all soft and light like cloth It's hard to think of it as armor

Just because it looks strong, doesn't mean that it makes good armor
Does this mean we're getting closer to becoming Magic Knights?

You looked like a little girl
Are you really.. Princess Emeraude...?
I am Emeraude..

She looks like the girl we saw in Eterna... but..
Her beautiful gold hair.. and the color of her eyes are the same...
Princess Emeraude...
We've done as Guru Clef taught us.
With weapons made by Presea, and Mokona's guidance...
We've revived the Spirits

Zagato...

We've defeated Zagato...

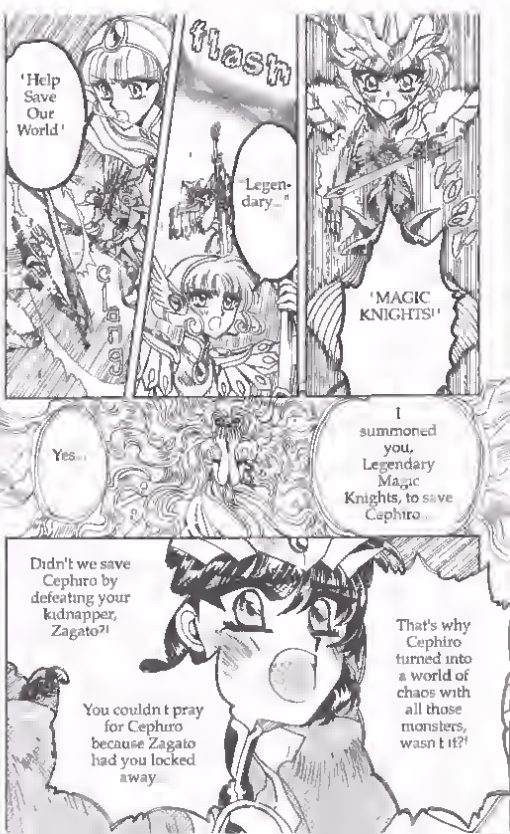
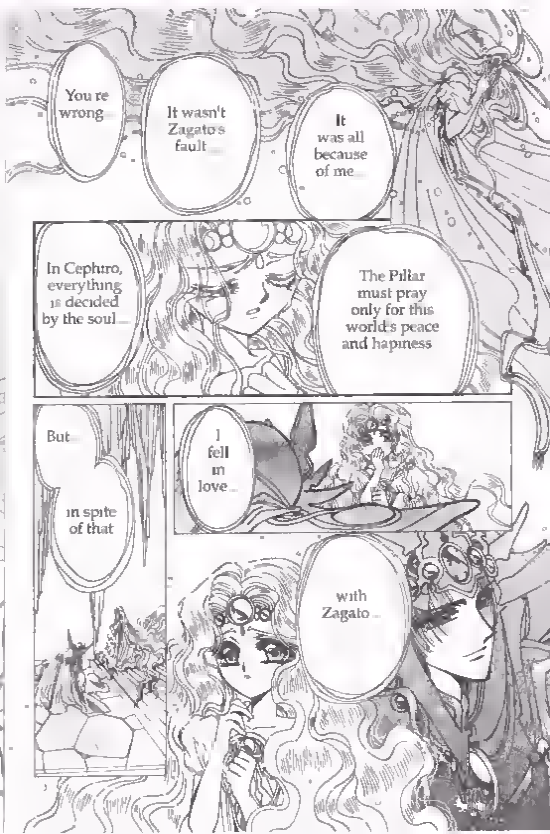
You're right...
She's the one we heard in Eterna...
So it isn't Princess Emeraude in that Spirit!
The real Princess is still locked away somewhere!
Princess Emeraude!
Where are you?
We'll save you?

No, I'm here...
This is me..
What do you mean. ?
You summoned us from Tokyo!
You brought us here from another world!
I am the one riding in this Spirit.
This foolish woman who chose to live for the one she loved,
rather than be the pillar of Cephiro
The one— she loved —?
We heard you at the Tokyo Tower!



'Help Save Our World'
flash
"Legendary..."
'MAGIC KNIGHTS!'
I summoned you, Legendary Magic Knights, to save Cephiro...
Yes...
Didn't we save Cephiro by defeating your kidnapper, Zagato?!
That's why Cephiro turned into a world of chaos with all those monsters, wasn't it?!
You couldn't pray for Cephiro because Zagato had you locked away...



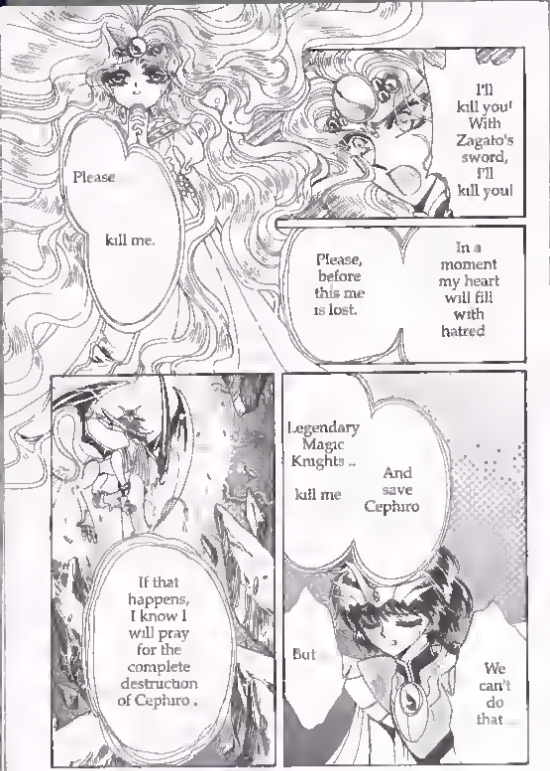
You're wrong
It wasn't Zagato's fault...
It was all because of me...
In Cephiro, everything is decided by the soul...
The Pillar must pray only for this world's peace and hapiness
But...
in spite of that
I fell in love...
with Zagato...

My love for Zagato made me think of him, more than Cephiro
I forgot my duty as Pillar
I would be glad if only Zagato were happy...
It was such a horrible thing for me to think.
Then you weren't imprisoned...
Not by Zagato-
I entered the water dungeon on my own free will
tremble
I thought if I could stop seeing Zagato
If I could learn to forget him.
But...

Then the monsters appearing in this world...
Wasn't that because of Zagato...?
Cephiro is a world where the heart rules...
If I only had the will it wouldn't matter where I was, or what obstacles befell me, I could pray for the peace in this world
I couldn't do it...
No way...

I summoned the Legendary Magic Knights
So that you could kill me
The Pillar may not take her own life
And no one in Cepluro may harm the Pillar

If anything would happen to the Pillar that supports it, Cephiro itself would be destroyed
A power to bring Knights from a world other than Cephiro
In order to kill oneself...
That's why the Pillar alone has a special power of summoning
No way
The legend Ferio told us about...
This is it?!
Then the Magic Knights don the Spirits...
Because they wouldn't be able to win against the Pillar of Cephiro on their own
When something goes wrong with the Pillar...
Some will be summoned from another world, to become the Legendary Magic Knights, and fight using the power of the Spirits



I'll kill you! With Zagato's sword, I'll kill you!
Please kill me.
Please, before this me is lost.
In a moment my heart will fill with hatred
If that happens, I know I will pray for the complete destruction of Cephiro.
Legendary Magic Knights .. kill me
And save Cephiro
But
We can't do that

I can't do it!
Hikaru!
I won't kill you quickly
I'll make you suffer
AAAGHHH!!
Hikaru!

Aha ha ha ha
AHA HA HA HA HA !
Please
Grant my wish

I can't
Please Magic Knights
Grant my one true wish –

Send me...
to be with Zagato
Magic Knights...
Let me think only of him
Let me be together with him.
Please grant me my first and last
selfish wish...
